Please note the date change!

Did you know...

Movember is upon us and Daddies everywhere are just a bit hairier!

Movember was created as an annual event to raise awareness of men's serious health issues, including prostate cancer. The overall goal of Movember is to "change the face of men's health," hence the idea behind growing a mustache during the month of November.

Albert Lacombe students are invited to wear their best mustache on Thursday, November 23rd. Print these fun printables <http://www.learningliftoff.com/wp-content/uploads/2016/11/Movember.pdf> and allow your children to pick their favorite 'stache.
