Orange Shirt Day - Friday, September 30

Orange Shirt Day is a legacy of the St. Joseph Mission (SJM) residential school commemoration event held in Williams Lake, British Columbia in spring 2013. It grew out of *Phyllis' story* of having her shiny new orange shirt taken away on her first day of school at the Mission, and it has become an opportunity to keep the discussion on all aspects of residential schools happening annually. This is a wonderful opportunity for First Nations, local governments, schools and communities to come together in the spirit of reconciliation and hope for generations of children to come.
