Did you know....

Grade 3F is participating in a Cardio Kids program. Each morning grade 3F students starts their day with 20 minutes of physical activity. The morning routine consists of stretching, cardio, muscular work, and fun. Studies show that starting your day with physical activity assists with healthy minds and bodies along with self-regulation. We are the 3F Cardio Kids!

Mastermind Presentation

Grade 4-6 non-sports students have been using their BEAR Block to work on a Masterminds Project. What is it? Students have picked a topic that they are interested in and learned more about it. We are inviting parents to come and see what we have learned on Wednesday, May 31 from 9-10 am in the small gym.
