### **NOT MANDATORY BUT STRONGLY ENCOURAGED**

A robust electronic device that students can use on a regular basis for learning. They can customize the device with apps to suit their learning needs and preferences and, using Google Drive and their gsacrd Google email, access their work at school and outside of school. A Chromebook-type of device or a laptop gives best functionality. Please see the Albert Lacombe or GSACRD website under My Learning, My Device for more information.
