School council is a means for parents and community members to work together with the school to support and enhance student learning. It is legislated to advise the principal and board respecting matters relating to the school.

From our Compassionate Friends Team:

Albert Lacombe staff and students strive to be BEARS showing Belonging, Excellence, Accountability, Respect and Safety in our community and beyond. Parent Council also follows this model and has set up a Compassionate Friends Committee. What does this committee do? Compassionate Friends step in when an AL family member(s) is in need of support. This month the Mattar and McLeod family graciously donated a Toys R Us gift card to be used by the committee to purchase toys for an AL family in need. Thank you Mattar and McLeod family for your generous donation! If you know of, or, are in need of support, please contact either the office or the Compassionate Friends team, Mrs. Lindsey Pratt and Mrs. Michelle Lutic. All inquires and requests will be kept confidential.

Lest We Forget.
